STAT

NOTE FOR:

You mentioned that Jerry Jennings, White House Security Officer, asked for a copy of the video tape of telephone security. I have obtained the attached copy for Jerry's use on an indefinite loan basis. However, I would suggest, for accountability purposes, that we ask Jerry to return it by the end of October.

If you agree with this, I have attached, for your signature, a memo to Jerry.

14 September 1978

MEMORANDUM FOR: Jerry Jennings
White House Security Officer

FROM:
Deputy Director of Security

SUBJECT: Telephone Security Video Tape

Jerry:

In keeping with our conversation during the week of 11 September, I am sending to you a copy of the NSA produced video tape on telephone security. We have it on loan. We would appreciate it if you could return it by the end of October or let us know how much longer you will need it.
